N A R R A T I V E	<p>On the above listed date and time, this unit did respond to the above listed location for a person shot. When I arrived, I did observe a child out in front of the home crying on the phone [REDACTED]. As this unit approached the house, I could hear several kids crying. One informed this officer "He's been shot" as he pointed upstairs. this unit went upstairs and did not see anyone. I then came back downstairs and asked one of the many juveniles inside of the home where the person shot was. A young male [REDACTED] informed me that he had been shot. I observed a hole in his clothing, and what appeared to be a gunshot wound to his neck. Officer Knoblauch came into the home as I began speaking to [REDACTED]. Officer Knoblauch did stay with [REDACTED] while I went back upstairs and began speaking with the two males upstairs, [REDACTED] and [REDACTED]. Both were very distraught. When I asked them where the firearm was, [REDACTED] stated he thought it was in the bed. [REDACTED] corrected him, and informed this officer that it was in the dresser. Inside of the dresser next to the bed, I did find a pink 9mm firearm. The magazine was out of the firearm. When this officer went to render the firearm safe, I discovered there was no round in the chamber. The firearm was then placed back in the dresser until a bag was brought up to take possession of the firearm. While upstairs [REDACTED] informed me that he [REDACTED] and [REDACTED] had been playing around when [REDACTED] accidentally shot him. When Sgt. Coats came upstairs, I then took the firearm to car 430. As this unit was walking back into the home, I observed [REDACTED] in the driveway [REDACTED] informed me that she and [REDACTED] had just been in the home. She stated they had just left a few minutes ago. I then went into the home and discovered [REDACTED] laying on the couch, and [REDACTED] inside of the home. I did obtain basic information from [REDACTED] and [REDACTED]. I then went to the rear bedroom and spoke with [REDACTED]. [REDACTED] stated he was in his room in the back sleeping where he heard a loud bang. He thought it was a joke, until he saw [REDACTED] come downstairs with blood on his neck. This unit then went outside and began typing this report. While typing, I was advised Officer Oakoneski found a shell casing in the bedroom. He did give this officer the casing. After 212 had came to my location and spoke with the involved parties, I was advised to complete a shooting investigation report. This unit did transport the firearm and the casing to the safety building where they were both booked with request for analysis reports. This unit did log this reports RB number with investigative services as well.</p>
